

October 9, 2009

Dear Buck Creek Stakeholder,

The next meeting of the Buck Creek Watershed Partnership will be held on Tuesday, October 27th in Wellington at the Club Room of the Wellington Auditorium, 802, 10th St. from 6:30 to 8:30 p.m. Doors will open at 6 p.m. and refreshments will be available. During this meeting we plan to discuss several important items regarding the development of the Buck Creek Watershed Protection Plan including watershed modeling results and the results of bacterial source tracking analysis. Please make plans to attend if at all possible.
